The Comptroller observes that notwithstanding Circular instructions on the subject, Treasury Officers do not appear to scrutinize as they should the entries made in the Deposit Register received from Taluks, but simply compile and pass them on to this office. The provisions of the Civil Account Code, 5th edition, Chapter XV, should be strictly observed, and only such items as may properly be held in deposit should be so held. Items that can be transferred to the proper heads of account should not be permitted to be held in deposit.

Treasury Officers are requested to see that the Codal rules and Circulars on the subject of Deposit Accounts are strictly attended to in future.

ANNUAL EXAMINATION OF REVENUE AND JUDICIAL DEPOSIT ACCOUNTS AND DETAILED STATEMENTS NOS. 4 AND 5, LOCAL REMITTANCES.

To—The Deputy Commissioners of Districts, Treasury Department, and the Officer in charge of the State Huzur Treasury, Bangalore, Circular Letter No. 1850, *dated 6th June* 1896.

With reference to standing orders, the Comptroller has the honor to request that the Deputy Commissioners will be good enough to scrutinize their revenue and judicial deposit accounts and the detailed statements of local remittances under entries Nos. 4 and 5 and take *immediate measures* for clearing them off in the accounts for June current.

(1) Deposit items not exceeding one rupee unclaimed for one whole account year, (2) balances not exceeding one rupee partly re-paid during the year, (3) deposits of whatever amount unclaimed for more than three complete account years ending 30th June 1896, should be credited to Government.

The sale proceeds of stray cattle kept in deposit for three months and unclaimed within that time should be transferred to credit of the "Municipal" or "District Funds" to which they belong.

Fines and all other items improperly credited to deposits or local remittances should likewise be transferred to credit of the heads to which they belong.

The District Treasury Officers aided by their Head Accountants should personally scrutinize the entries under the head Local Remittances Nos. 4 and 5, which it is observed, contain many items belonging to revenue and other heads. They should be rectified by transfers in the District Treasury accounts and the Amildars should be instructed to correct their accounts accordingly.

A detailed statement of each class of deposit items lapsing whether from age or pettiness at the end of June 1896 should be prepared and appended to the Treasury accounts for June 1896 in which the lapses are credited.

PAYMENT OF ARREAR SALARY BILLS.

To—The Deputy Commissioners, Treasury Department, Circular No. 1851, *dated 11th June* 1896.

It having been observed that instances are not infrequent in which arrear bills which have remained undrawn for more than six months have been discharged by District and Taluk Treasuries in contravension of Codal rules, the Comptroller has the honor to draw the attention of Deputy Commissioners, Treasury Department, to Article 5 of the Civil Account Code, Volume I, 5th Edition, and the recent addendum thereto and to state that no bills for salaries which have remained undrawn for six months should be cashed by the Treasuries, District or Taluk, without a reference being made to the Comptroller for orders.

Similarly under the addendum to the Article referred to, salaries allowed to remain in abeyance for a period exceeding two years require the sanction of the Government before they can be cashed.

Special attention is requested to the above instructions; any deviation therefrom will render the Disbursing Treasury Officer personally responsible.

To—The Deputy Commissioners of Districts, Treasury Department, and Officer in charge of State Huzur Treasury, No. 1852, *dated 11th June* 1896.

Instances having occurred when remittances of cash and currency notes are made from one Treasury to another during the latter part of a month resulting in such remittances being in transit on the 1st of the month following, the Comptroller has the honor to draw the attention of Deputy Commissioners, Treasury Department, to clause 1, Article 642, Chapter 31 of the Civil Account Code, Vol. I, 5th Edition, which requires that remittances from one Treasury to another should be made so as to reach its destination before the close of the month in which the remittances are made. Strict observance of this rule is enjoined.
